Assalaam alaikum Nida and Mo
Thank you for organizing a very enjoyable reunion. Venue was fantastic, food was delicious and the energetic entertainment and games were very enjoyable. The theme worked and even the people who had trepidations about the masks wore them with gusto. Thanks for your super hard work. So proud of you two for taking the Kinnaird spirit above and beyond.

KCA - Thank you!

Modiha & Nida

What a wonderful reunion! Lovely venue and that too donated, enough space to spread out, a great variety of food. Best surprise of all were the games. Glad also that some extra money was collected for the fund. Good launching time for the new website.

Kudos to you both and your team of representatives. Hope this inspires future officers.

Some of us older members discussed the dynamism younger members introduce . High time!

Warmly
Zamzam

Dear Nida and Modiha,
I received the masquerade mask and commemorative pen in the mail today. It was a lovely surprise! I am deeply touched by your thoughtfulness for including me even though I was unable to attend the reunion. The note attached was a lovely addition as well. Please accept my gratitude for remembering me as a member of the Kinnaird family.

With love and thanks,
Meherunisa Khan

Dearest Nida & Modiha,

I started this a few days ago but --- got distracted SORRY!

THANK YOU EVER SO SOOOO MUCH for such a FABULOUS REUNION!!!!!!!

- The Location was SPECTACULAR!
- The masks idea was AWESOME (& a LOVELY way to collect for the scholarship!)
- The food was DELICIOUS!
- The cake was SPECTACULAR
- The games were the PERRRRFECT touch
- The awards were MAGNIFICENT (I am ROARING for more)
- The Website of course is the ENDURING crowning GLORY of your regime 😊! I LOVE the way you have not only captured the history of KCA, but also honored KCites (including Ami 😊 😊)

I was especially impressed that I got a PERSONAL acknowledgement when my check was received, along with a request to update my info. I found that you did it for all, so I BET your database is in MUCH BETTER shape than when you started.

As always, I do have to butt in & say that:

- I LOVED the surprises of:
 - A SPECTACULAR venue
 - The FAB awards
 - The FUN games
 - Etc.
- Thus, I RECOMMEND that you DO keep the future plans a secret also (that should not exclude any of us in helping you in any way you need BUT... makes it more fun)

- Electing officers ONE YEAR ahead is SILLY. We are not even a registered organization, so WHY do we need to "train" our future executives. It also takes away the from the ONE & ONLY TIME that the current officers can get all the glory in that the previous year they just get the handoff at the end, & the following year they have to hand off. Thus, you should be allowed the SOLE LIMELIGHT at the middle reunion

I am trying to add as many emails as I can think of BUT... HOPE you will share my comments with as many KCites as possible, so we can look forward to sooo much more enjoyment!

TONS OF LOVE & MANY MANY THANKS!!!!!!!!!!
